Commission on Ending Childhood Obesity

Draft Final Report of the Commission open for comment

In September 2016, the Draft Final Report of the Commission on Ending Childhood Obesity is due for comment from relevant stakeholders. In addition, the European Commission will consult on the Draft Final Report through a public consultation period. The Commission welcomes feedback on the Report from relevant stakeholders through the consultation period. The Draft Final Report proposes key policy actions to address childhood obesity.

Read the Draft Final Report and comment.
