2026; 11: e156–63**

Tobias A, Honda Y, Madaniyazi L, et al. *Variation in reporting of heatstroke mortality: evidence from a multi-country study.* Lancet Public Health 2026; 11: e156–63—In this Article, the spelling of authors Barrak Alahmad, Eric Lavigne, and Veronika Huber's names was incorrect. These corrections have been made as of March 24, 2026.

**Correction to
Lancet Public Health
2026; 11: e176–86**

Lastuka A, Mitchell AJ, Cogswell IE, et al. *Estimating the costs of informal care for individuals with brain health disorders from 2000 to 2021: a modelling study.* Lancet Public Health 2026; 11: e176–86—In this Article, numbers for hours of care reported in the Summary and Results sections were incorrect (these were weekly rather than annual, and the weekly number should have been 6 billion, as shown in the table): "...globally, informal caregivers for brain health disorders provided 314·5 billion (95% uncertainty interval 265·3–376·0) hours of care in 2021, at a cost of US\$1·7 trillion (1·5–2·1) in forgone earnings. Hours of informal care provided for brain health disorders have risen by an average of 3·3% (3·0–3·5) per year since 2000." These corrections have been made as of Feb 25, 2026.
