

Do you brush your teeth at least twice a day? (one before sleeping)

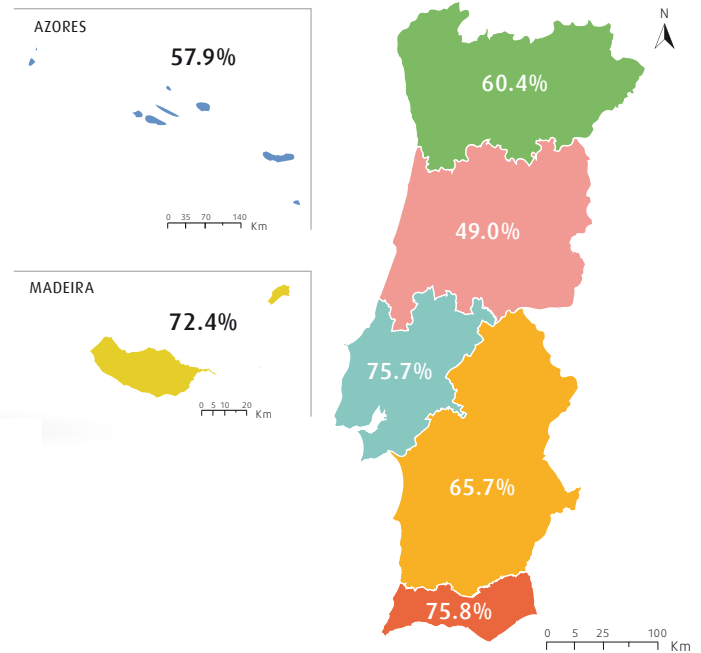

4.4 million Portuguese (65.0%) have reported to brush their teeth at least twice a day

Teeth brushing at least twice a day was more frequent...

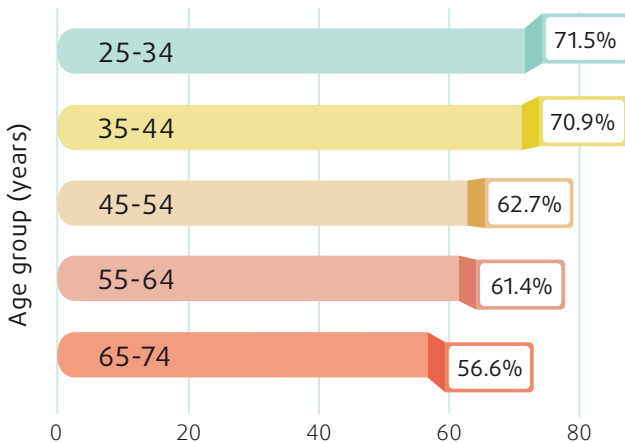

...in women,

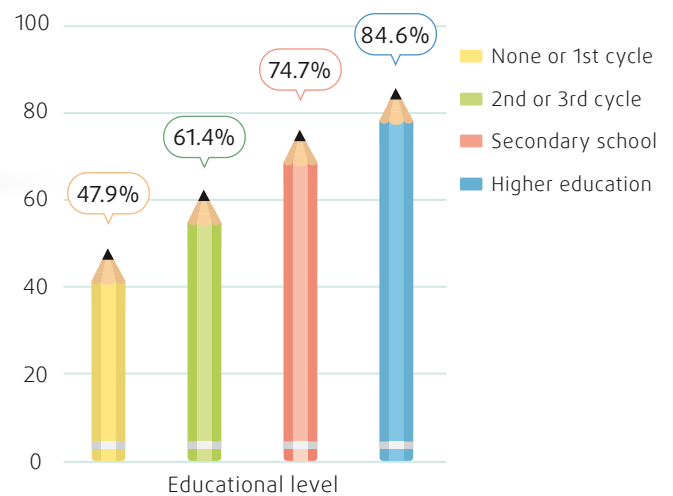

...in Algarve and Lisbon and Tagus Valley,

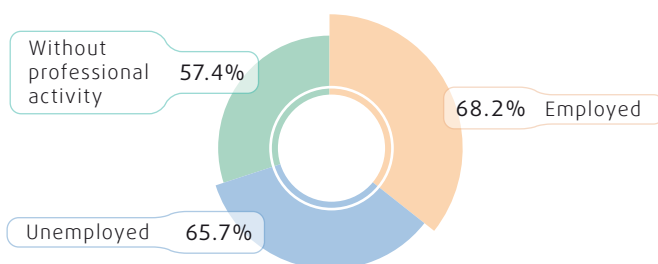

...in the age group 25-34 years,

...and in the persons with more education.

...among employed persons,
